

LOOMACRES Wildlife Management

Dear: Airport Operations/Airport Depredation Permit Holder,

Loomacres Wildlife Management will be offering a Wildlife Hazard Management and Wildlife Identification training course that is required by the FAA and the USFWS. The course will be taught by an FAA Qualified Wildlife Biologist. This unique course meets the requirements of §139.337(f) (7) (a-d) outlined in AC No: 150/5200-36.

Date: February 17th 2010

Time: 8:00am to 4:00pm

Registration Deadline: February 12th 2010

Location: Republic Airport

7150 Republic Arpt Rd
Farmingdale, NY 11735

Name _____ Phone: _____

Address: _____

Cost: \$125 per person

Please print and mail this registration form and fee to the address below, you may also register by phone. All personnel that attend and pass the training will receive a training certificate verifying their accomplishment. The name and grades of those in attendance will be provided to your airport manager and a copy will be retained by Loomacres Wildlife Management. Please retain all documentation regarding this training for future reference. If further documentation is needed it is available on request.

- **Please bring a copy of your airports Wildlife Management Plan to the training.**

If you have any questions please do not hesitate to call, 607-760-8748. For more information and to register online please visit our website; www.loomacres.com/training.html

If you are interested in hosting a training course at your facility please contact us. Hosting a training course provides your organization with the opportunity to have a course tailored to your specific location and needs.
